

IDAHO ASSOCIATION OF PARALEGALS, INC.

BYLAWS Effective October 20, 2017

ARTICLE I. NAME

The name of this Association shall be Idaho Association of Paralegals, Inc. (hereafter "this (or the) Association"). This Association shall be independent of any national association.

The Idaho Association of Paralegals, Inc. adopts the American Bar Association definition of a legal assistant/paralegal, which is:

A legal assistant or paralegal is a person, qualified by education, training or work experience, who is employed or retained by a lawyer, law office, corporation, governmental agency, or other entity and who performs specifically delegated substantive legal work for which a lawyer is responsible.

ARTICLE II. PURPOSES

The objectives and purposes of this Association are as follows:

(a) To encourage a high order of ethical attainment among its members and, specifically, to uphold, exemplify, and support the Code of Ethics and Professional Responsibility of the Idaho Association of Paralegals, Inc.

(b) To encourage, foster, and promote a high degree of professional attainment within the paralegal profession, and to promote the continuing legal education of its members.

(c) To promote cooperation, good will, and good fellowship between this Association and bar associations, paralegal educators, other national, regional and local paralegal associations, and members of the legal community.

(d) To support and carry out the programs, purposes, aims, and goals of the Idaho Association of Paralegals, Inc.

(e) To promote and foster good fellowship among its members.

ARTICLE III. POLICIES

This Association shall be nonsectarian, nonpartisan, nonprofit, and nonunion. No actions or programs may be initiated or undertaken, now or in the future, in conflict with the bylaws or the policies of this Association.

ARTICLE IV. MEMBERSHIP

Section 1. Classes of Membership. There shall be five classes of membership in this Association; namely: Active, Active Status Pending, Student, Supporting and Retired.

Section 2. Active Members. Active membership is acquired through a combination of education and paralegal experience. Every Active member shall be an Idaho resident and meet the following qualifications.

SIX POINT REQUIREMENT FOR ACTIVE MEMBERSHIP

<u>Education</u>	<u>Legal Employment Experience</u>
Graduate Degree (5 pts)	1 year as paralegal
Bachelor's Degree in Paralegal Studies (5 pts)	1 year as a paralegal
Bachelor's Degree (4 pts)	2 years as paralegal
*ABA Approved Paralegal Program (3 pts)	3 years as paralegal
Associate Degree in Paralegal Studies (2 pts)	4 years as paralegal
*Non-ABA Approved Paralegal Program (2 pts)	4 years as paralegal
CLAS Designation (2 pts)	4 years as paralegal
Associate Degree (1 pt)	5 years as a paralegal
2 years college, no degree (1 pt)	5 years as paralegal
CLA or RP Designation (1 pt)	5 years as paralegal

- Applicants must exhibit a minimum of six (6) points for membership by combining education and experience.
- Each year of experience as a working paralegal counts as one (1) point up to a maximum of 5 points.
- No more than five (5) points may be accumulated through a combination of educational criteria, which criteria must be independent of one another and not a pre-requisite for another educational criteria. For example, one could combine an Associate Degree in Paralegal Studies (2 pts) with an ABA Approved Paralegal Program (3 pts) for a total of five (5) points, and have one (1) year experience as a

paralegal to meet the six (6) point requirement. One could not combine 2 years of college (1 pt) with a bachelor's degree (4 pts) for a total of five (5) points because the 2 years of college were a prerequisite to the bachelor's degree. If one combined a bachelor's degree (4 pts) with an ABA Approved Paralegal Program (3 pts) or a Non-ABA Approved Paralegal Program (2 pts) for a total of 7 pts and 6 pts, respectively, the total accumulated points counting towards the six (6) point requirement could not exceed five (5) points, leaving a requirement of one year experience as a paralegal.

- Applicants must be currently employed as a paralegal by a practicing member of a State Bar Association who is in good standing or employed in a position performing substantive legal work employed by a corporation or other entity.
- Applicants who independently provide legal services directly to private persons shall not be eligible for membership in this Association.
- Applicants who have been convicted of a felony shall not be eligible for membership in this Association.
- Applicants who are suspended or disbarred attorneys shall not be eligible for membership in this Association.
- An ABA Approved Paralegal Program or a Non-ABA Approved Paralegal Program as set forth above shall consist of a minimum of sixty (60) semester (or equivalent quarter)** hours of which at least fifteen (15) semester hours (or equivalent quarter hours)*** are substantive legal courses.

** Nine Hundred (900) clock hours of a paralegal program will be considered equivalent to sixty (60) semester hours; ninety (90) quarter hours of a paralegal program will be considered equivalent to sixty (60) semester hours.

*** Two Hundred twenty-five (225) clock hours of substantive legal courses will be considered equivalent to fifteen (15) semester hours; twenty-two and one-half (22½) quarter hours of legal courses will be considered equivalent to fifteen (15) semester hours.

Section 3. Active Status Pending. Active Status Pending membership is granted:

a) on a limited basis and for a one-year term only under the following conditions:

- 1) An individual employed as a paralegal in Idaho who does not meet the requirement for Active status only because they lack one full year of experience; OR
- 2) A paralegal qualified for Active status who is relocating from another state and has not yet secured employment in Idaho as a paralegal.

b) Active Status Pending membership is also granted on a limited basis for up to a two-year term to graduates of an ABA-approved paralegal program, but who have either not secured employment in Idaho as a paralegal or who have not acquired enough work experience to be accepted as an Active member.

Before the expiration of either time period, members granted conditional membership under this category must request conversion of their membership status to Active status and provide documentation of work experience OR request an extension of their membership in order to allow sufficient time to fulfill the one-year experience requirement. Such extensions shall be granted for no longer than one additional year.

Section 4. Student Members. Every Student member shall be currently enrolled as a student in a course of studies prescribed for training as a paralegal as more specifically set out in Section 2 above.

Any Student member in good standing may apply for Active Status Pending or Active Status upon qualifying under Section 2 or 3 above.

Section 5. Supporting Members. Every supporting member shall meet one or more of the following qualifications:

- (a) Be a member in good standing of a bar association.
- (b) Be a paralegal educator.

Any Supporting member in good standing may apply for Active status or Active Status Pending upon qualifying under Section 2 or 3 above.

Section 6. Retired Members. Every Retired member shall have been an Active member on or at the date of her or his retirement.

Retired status members shall be retained on the member roster regardless of employment status upon receipt of annual renewal form. No renewal fee will be charged for Retired members.

Section 7. Voting Qualifications. Only Active members of this Association may vote and hold office. All other members may attend all meetings of the Association's membership, and may participate in discussions at such meetings, but shall have no vote and shall be prohibited from holding office in the Association.

Section 7.1 Qualifications for Board Positions. Any candidate for any office of the Board of Directors shall have been a member in good standing of this Association for at least one year prior to such candidate's nomination for a Board position. Such candidate shall be qualified and approved as an Active status member of the Association on or before the annual meeting to elect officers. Such candidate's tenure as Student member or Active Status Pending member may be included as a fulfillment of the one-year qualification.

Section 8. Application Process. Applications for membership in this Association shall be made on forms which accurately reflect the criteria as set forth in these Bylaws above. The application forms should clearly state that the Association is independent of any national association and that all members are bound by the Association's Code of Ethics and Professional Responsibility in addition to any code adopted by the Association. Falsification of the application is grounds for automatic rejection of the application or termination of membership. All applications for membership shall be accompanied by the requisite dues, a non-refundable administrative fee, a current resume, and a copy of the school's transcript showing all courses taken and the date of graduation. The application will be considered incomplete without copies of the required documents.

Section 8.1. Appeal Procedure - Denial of Membership. Written notice of denial of membership, setting forth the grounds for denial and the right of appeal, shall be mailed to the applicant not more than fifteen (15) days after the vote denying membership. Any person whose application for membership in this Association has been denied may appeal the denial decision by filing written notice of appeal within thirty (30) days of the date of the mailing of the denial decision. The notice of appeal shall be directed to the Board of Directors and shall be considered by the Board at the next regularly scheduled Board meeting after receipt of the notice of appeal.

The appellant shall not exercise any membership rights pending resolution of the appeal.

If the interested party does not file written notice of appeal with the Board within thirty (30) days of the date of the denial decision, such interested party shall have waived the right to appeal and the denial of membership shall become final.

Section 9. Reapplication - Lapse of Membership. Any person whose membership in this Association has lapsed because of failure to pay required fees, as set out in these Bylaws and the corresponding Standing Rules, may reapply for membership by submitting the appropriate application form, dues, and administrative fee.

Section 9.1 Reapplication - Change of Membership Status. Those members granted conditional membership under Student or Active Status Pending categories must apply for a change in status of such membership to the next level of membership (i.e., from Student to Active Status Pending, and from Active Status Pending to Active) at such time as the member's conditional status changes or the grant of conditional membership expires.

Section 10. Continuing Education Requirement. All Active and Active Status Pending members shall attend a minimum of six (6) hours of continuing legal education each fiscal year of IAP membership in order to maintain membership in good standing. Members shall submit documentation of such attendance on an approved form to the CLE Chairperson.

Continuing legal education is defined as attendance in an organized program of learning dealing with matters directly related to the field of law, professional responsibility or ethical obligations of paralegals and the paralegal profession. No course will be approved which involves solely self-study. The Board may, on a case-by-case basis, approve as partial credit education courses in connection with the pursuit of an associate's degree, a bachelor's degree or

an advanced degree, or team teaching or speaker opportunities at CLE functions, as outlined in the Standing Rules of this Association.

Members who complete more than six (6) hours of continuing legal education per reporting period may apply up to three (3) of the additional hours to the next reporting period. In order to carry forward surplus continuing legal education credits to the next reporting period, a copy of the evidence of completion must be submitted with the applicable renewal form along with a letter of explanation indicating the number of hours up to a maximum of three (3) to be applied to the next reporting period.

Section 10.1 CLE Requirement; Non-Compliance. In the event that a member fails to fulfill the continuing legal education requirement, the Board of Directors may elect to formally notify all such individual members and establish a time frame and format for satisfaction of the delinquent requisite hours as set forth in the Association's Standing Rules.
